This email originated outside of the Community College System of New Hampshire. Please help keep our organization and users safe. It's up to us; think before you click.

PHI THETA KAPPA
HONOR SOCIETY

A woman with curly hair, wearing a yellow striped shirt, is holding a pencil and looking thoughtful. She is standing next to a large blue banner with white text. The banner reads "All Honor Societies Are Not Equal". Below the banner is a blue button with the text "DO YOUR HOMEWORK". To the right of the banner is a smaller version of the Phi Theta Kappa logo.

Congratulations on your recent invitation to Phi Theta Kappa. We may have started in 1918, but we know what today's students want and need.

- We are partnered with Manchester Community College who established Phi Theta Kappa in 1989, as a campus student organization.

-
- We are a REAL honor society and only recognize the top 10% of students.
-
- We are a non-profit organization, and your membership fee is used only to fund student success.
-
- We offer more **scholarship** opportunities than any other student organization in the entire nation.
-
- We have leadership and travel opportunities, including our upcoming Catalyst International Convention in Orlando.
-
- We have a one-time membership fee, and once a member, always a member. It is for a lifetime!

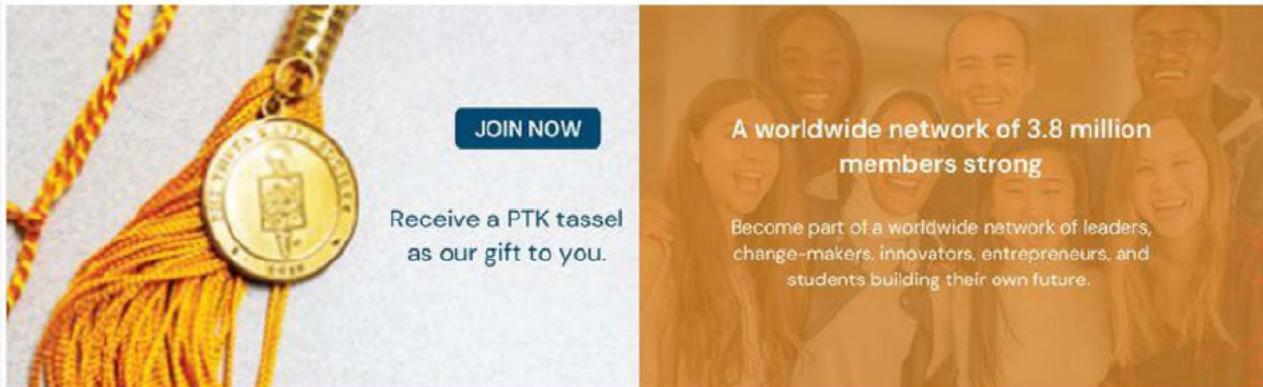

We hope you will do your research. Check us out and you will find that we help students financially, professionally, academically, and socially. We are the only honor society recognized as an

affiliate member of the American Association of Community Colleges.

Please contact Phi Theta Kappa for more information:

Your Alpha Pi Rho Chapter advisor is Dr. Ray Franke who can be reached at rfranke@ccsnh.edu.
